Memoirs of Napoleon

In Three Volumes

The personal reminiscences of Baron de Méneval, for thirteen years private secretary to Napoleon Bonaparte, bring out, as no history can, many enlightening and interesting side lights on the character of that greatest of leaders. De Méneval's descriptions have the piquancy and interest possible only because he was an actual eyewitness of the scenes and incidents of which he writes. Their reliability and historical interest can be judged by the fact that the very conservative French Academy publicly recommends them.

TO HAVE GOLF LINKS

Planned to Make Cedar Gap Resort of National Prominence

With the return of Lee Ullmann president of the Springfield club from Cedar Gap, where he has spent three days making a preliminary survey of the site of the proposed hotel and golf links at that place, becomes known the fact that \$100,000 may be expended there within the next year in making Cedar Gap the most popular resort in the Ozark mountains. Toward this aim the corporation being formed to promote the project will be materially assisted by the Frisco railway. It is hoped that the most extensive and most modern golf links in the United States will be made there in accordance with the plans of the promoters.

President Ullmann's visit was merely to gather data on the plans of the men behind the project for the information of his constituents here. He said that the hotel and twenty-five or thirty cottages would be erected on the 1,400-acre farm of Louis Erb there and that a lake covering more 40 acres would be formed. The hotel, the main building of the scheme will represent an expenditure of \$50,000 when completed. Driveways, walks and other improvements of the modern park will be placed on the grounds. Al. Sherwood, a professional golfer from Memphis, was retained by the promoters to lay off the links and he completed the task last week after several days' stay on the prospective site. Nine thousand five hundred dollars of the stock of the promoting corporation has already been subscribed. The tentative plans for the hotel have also been made.

The hand the Frisco railway is to take in furthering the idea is to advertise the resort and to make it one of the "show" places along the system's lines. General Manager E. D. Levy will leave in his private car this week, accompanied by several local business men, and they will consume two days in looking over the site and plans as outlined by the promoters. While at Cedar Gap General Manager Levy will be joined by S. W. Brown, of Chicago, general manager of the Michigan Central lines, which company will also be interested in the resort.

Springfield business men regard the project as one of the most beneficial movements to the Ozark country to be started for a great many years. The extensive publicity the resort will be given if it materializes will attract attention to this section, which heretofore has been centered on resorts in the north, south and east.—Springfield Leader.

The building of two such resorts in Wright county as the above at Cedar Gap and the Octandria Sanitarium at Mansfield, will make this part of the Ozarks popular with the pleasure seeking and health seeking public, which cannot be surpassed for climate, pure water and health both summer and winter.

Constipation Causes Sickness

Don't permit yourself to become constipated, as your system immediately begins to absorb poison from the backed-up waste matter. Use Dr. King's New Life Pills and keep well. There is no better safeguard against illness. Just take one dose tonight. 25c. at your Druggist.—Adv.

C. P. Revival Services

Revival services will begin at the Cumberland Presbyterian church the fourth Sunday in October. Rev. Fred Hughes of Warrensburg will assist the pastor, Rev. Joseph Davis.

NOTICE!

I am still here among you people—and the fall season is drawing near. We have had a good rain that should cheer us up and you will be sure to buy something in my line. If you think of going somewhere to buy, or of ordering from some mail order house, bring your catalog with you to the store and give me a chance. I am carrying a good line of Furniture, Rugs, Carpets, Wall Paper, Trunks, Suit Cases, and many other things too numerous to mention.
Adv. W. B. FULLINGTON.

All-Day Singing at Macomb

Macomb's regular annual all-day singing will be held at the Macomb Baptist church the first Sunday in September. The Ashley and Macomb classes and the old-time singing class, led by Siria Odle of Cedar Gap, will take part in the singing. Dinner will be served on the grounds and everybody is expected to come with well filled baskets. All are invited to come and enjoy the day whether you take part in the singing or not.

Summer Constipation Dangerous

Constipation in Summer-time is more dangerous than in the fall winter or spring. The food you eat is often contaminated and is more likely to ferment in your stomach. Then you are apt to drink much cold water during the hot weather, thus injuring your stomach. Colic, Fever, Ptoimaine Poisoning and other ills are natural results. Po Do Lax will keep you well, as it increases the Bile, the natural laxative, which rids the bowels of the congested poisonous waste. Po Do Lax will make you feel better. Pleasant and effective. Take a dose tonight. 50c. at your Druggist.—Adv.

A Good Sale

The sale of J. P. Sill and A. R. McClure Tuesday was well attended, some say the crowd was the largest ever in attendance at a public sale in Douglas county. Sill & McClure advertised their sale liberally with bills and in the Mirror. They say Mirror advertising pays. Good prices prevailed and the sale was a highly satisfactory one.

Remarkable Cure of Dysentery

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief." writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.—Adv.

CONSTIPATION

Indigestion, Bad Breath, Dizziness, Vertigo (blind staggers), Headache, Sallow Complexion, a Tired, Discouraged Feeling are all symptoms of a Torpid Liver.

HERBINE

Is an Effective Liver Tonic and Bowel Regulator.

Its powerful reviving influence in the torpid liver brings on an immediate improvement. You feel better at once. The bowels move freely so that the impurities which have clogged up the digestive organs find an outlet. When the system has been thus purified, the bilious, half sick feeling disappears, the complexion clears, the breath becomes sweet, the mind alert and cheerful and there is a fine feeling of exhilaration all through the body.

OBITUARY.

On the evening of Aug. 12, 1914, God in his Wisdom sent an angel from His throne to the home of J. O. Crider and bore heavenward the spirit of the loving wife and mother.

Mrs. Lydia Crider was born Dec. 24, 1890. She was married to J. O. Crider Aug. 4, 1907. Their home was made bright by the gift of 2 children, both boys, the babe being nine months old.

She leaves a mother, 2 sisters and 5 brothers with a host of others to mourn her departure. We know that her husband, mother, brothers and sisters feel that their hearts are breaking and realize that a chair is made vacant in their home which cannot be filled, but there is a Great Comforter to look to in this dark sad hour.

She united with the Christian church about three years ago, and has lived a faithful member. She was buried at Blacknell, Okla.

A precious one from us is gone,
A voice we loved is still;
A place vacant in our home
Which never can be filled.

We miss thee from our home dear sister,
We miss thee from thy place,
A shadow o'er our lives is cast,
We miss the sunshine of thy face.

We miss thy kind and loving hand,
Thy fond and earnest care,
Our home is dark without thee
We miss thee everywhere.

Sleep on, sleep on dear sister
From all earthly pain you are free;
In Jesus arms you are safely resting.

Where no sorrow comes to thee.—Com.

MOUNTAIN GROVE, MO. Dr. F. J. FIKE

Specialist in the Higher Standard Optical Science of Fitting Glasses, which has won world-renowned recognition in permanently removing the cause of such effects as Headache, Eye, Nervous, Stomach, Heart and Female Trouble, Etc., and thus let nature restore normal conditions. Our methods are not employed by any other class of doctors. We measure all our cases by our neurometer (nerve measure) and, when done, take the data and figure out the case, just as a contractor figures out the plans of the architect, and executes them, thus establishing the high safety danger and low lines of each patient. Many Mountain Grove testimonials. Consultation free. Call or write.

She was married to T. R. Baker March 9, 1876; to this union were born 10 children, four girls and six boys, seven of whom are living, three having preceded her to the world beyond. Six children were present at her funeral. She professed faith in Christ when a girl and has lived a true Christian life since. She was a member of the Free Will Baptist church. The funeral sermon was preached by the writer; text, John 11 chapter, after which the remains were followed to the family cemetery just east of the house on the old home farm by a large crowd of sorrowing relatives and friends and laid to rest beside her children who had gone before, until the voice of Him who is the resurrection and the life shall sound like sweetest music in the graves of the sainted and sleeping dead and the great problem of the world is solved.
